From: Helpdesk Manager

To: IT Team

Subject: INRP - Possible Phishing Email

The Helpdesk is reporting that several users are calling and stating that they have received a suspicious email. Please investigate and report with a business memo on:

- * is this email legitimate? Explain why or why not.
- * is the link dangerous? If it is, what happens when a person visits it?
- * what should we tell users who call the Helpdesk?

Must know ASAP, because the Helpdesk is getting overwhelmed. Below is the text of the email:
